

Subject: Invitation to the FDI Connect 2026 Forum

Hanoi, January 15, 2026

To: Board of Management

In the context of global supply chains undergoing a profound restructuring phase, Vietnam is increasingly recognized as a strategic destination that offers the essential conditions to attract a new wave of high-quality investment. With the aim of creating a direct bridge between FDI enterprises, the Government, local authorities, and Vietnamese businesses, the Vietnam Chamber of Commerce and Industry (VCCI) plans to organize the “FDI Connect 2026 Forum” under the theme “Towards Sustainable Global Supply Chains,” scheduled for 24–25 April 2026 at the Kinh Bac Cultural Center, Bac Ninh Province.

With the patronage and coordination of the Central Committee for Policy and Strategy, the Ministry of Finance, the Ministry of Industry and Trade, the People’s Committee of Bac Ninh Province, diplomatic missions, and domestic and international business associations in Vietnam, the forum is expected to attract approximately 600 delegates. These include leaders and representatives from the Government, ministries, local authorities, international organizations, FDI enterprises, Vietnamese companies, as well as more than 40 domestic and international media outlets.

The forum reaffirms Vietnam’s strong commitment to the global business community, demonstrating the country’s readiness to welcome new investment waves and to participate more deeply in global supply chains through transparent policies and exceptional incentives. It also serves as an important platform for networking, introducing new investment projects, and promoting investment opportunities across localities. Notably, this is also an opportunity for VCCI to consolidate recommendations and report to the Party and Government leadership to further enhance FDI attraction in the coming period, while celebrating VCCI’s Traditional Day (April 27, 1963).

To ensure the scale, quality, and broad impact of the event, VCCI respectfully invites your organization/company to participate and accompany us in the specific activities outlined in the attached program. Your engagement will demonstrate a strong commitment to fostering a transparent, modern, and sustainable investment environment in Vietnam. It will also provide valuable opportunities to expand connections, reach strategic partners, and strengthen your organization’s brand presence within the international FDI community.

We sincerely appreciate your attention and look forward to receiving your support and participation.

Yours faithfully,

Hoang Quang Phong
VCCI Vice President
